

34

- **Label:** Carelli 34
- **Region:** Uco Valley, Mendoza.
- **Grape variety:** 100% Viognier.
- **Type of wine:** Varietal white wine.
- **Alcohol content:** 13.0 °GL
- **Wine characteristics:**

Made from a careful selection of harvested and hand-selected Viognier grapes, from our own vineyard located in the same winery, in the town of La Reducción, in the eastern part of Mendoza. The proximity of the vineyard to the winery favors the harvest in the early morning and the berries received are processed at low temperatures taken during the night, this technique means that the fruit and aromatic characteristics of the grapes are maintained throughout the process of reception and fresh pressing, avoiding oxidation. The conservation is done on lees to provide greater volume in the mouth until the time of bottling.

Color: Pale greenish color and bright tones.

Aroma: Citrus, lime, ripe pears, which exalt the expression of the varietal.

Palate: balanced, good acidity and a perfect final balance.
