

CARELLI MADERO CABERNET SAUVIGNON

- **Label:** Carelli Madero
- **Region:** Rivadavia, Mendoza.
- **Grape variety:** 100% Cabernet Sauvignon.
- **Type of wine:** Reserve red wine.
- **Alcohol content:** 14,0° GL
- **Wine characteristics:**

This exceptional wine is made from specially selected grapes grown in our own vineyards, achieving the maximum expression of Cabernet Sauvignon and Argentine typicity. Harvested in 16-18 kg plastic boxes, the grapes undergo a combination of traditional methods and the latest technology in the winemaking process.

The ideal size of the tanks allows for the perfect concentration of the juices. Subsequently, a part of the wine matures in French and American oak barrels for second use for 4 to 6 months, which gives the wine unique characteristics. The final stage occurs in the bottle, where the wine comes to life.

Colour: Intense ruby red, with violet reflections.

Aroma: Fresh, reminiscent of eucalyptus, pepper, red and black fruits.

Palate: Black pepper and sweet tannins cause a smooth persistence with a long, elegant finish.
